NOTICE – HEALTH SCREENING PROGRAMME

Dear Parents, Guardians, and Students,

In collaboration with the Rotary Club of Calcutta Inner City, the school is planning to organize a Free Complete Blood Count (CBC) Test on the school premises for students of Classes VIII to XII.

A CBC is a simple and cost-effective blood test that can help identify individuals affected by blood-related disorders through the analysis of red blood cell characteristics. Early detection and awareness can contribute towards better health and preventive care.

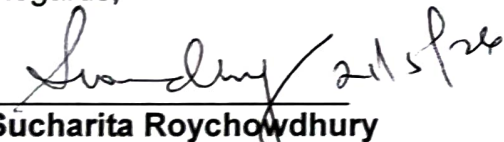

Parents who are interested in allowing their wards to participate in the screening are requested to share their consent. The camp is tentatively planned for the 2nd or 3rd week of June. The exact date and further details regarding the camp will be communicated shortly.

Let us work together towards creating awareness and ensuring a healthier future for our children.

“Awareness Today, Healthy Tomorrow.”

Thank you

Regards,

Sucharita Roychowdhury
Principal

CONSENT FORM – FREE CBC HEALTH SCREENING PROGRAMME

I, _____, parent/guardian of _____, studying in Class _____, Section _____, hereby give my consent for my ward to participate in the Free Complete Blood Count (CBC) Test organized by Silver Point School in collaboration with the Rotary Club of Calcutta Inner City.

I understand that the CBC test is a basic blood screening procedure conducted for health awareness and preventive care purposes.
